## PROJECTS

### Advanced Text Formatter

Tech: React.js, JavaScript, HTML, CSS

- Developed a tool to convert, clean, and format text in real time.
- Includes uppercase/lowercase, remove spacing, formatting cleanup, and smart copy features.
- Focused on quick usability and efficiency for users.
- Live: [advancetextformatter.netlify.app](https://advancetextformatter.netlify.app)

### Advanced Password Generator

Tech: React.js, JavaScript, HTML, CSS

- Built a customizable secure password generator with multiple character set options.
- Added copy-to-clipboard, length control, and instant preview features.
- Ensured clean, minimal UI with responsive design for all screens.
- Live: [advancepasswordgenerator.netlify.app](https://advancepasswordgenerator.netlify.app)

### Bookversee

Tech: React.js, Next.js, Tailwind CSS, API Integration

- Built a modern book browsing platform with search and detail view functionality.
- Integrated external book data APIs to provide dynamic and real-time content.
- Designed a clean and user-friendly interface for smooth browsing performance.
- Deployed and optimized for fast loading and accessibility.
- Live: [bookversee.vercel.app](https://bookversee.vercel.app)

### FINSIGHT

Tech: Next.js, React.js, Tailwind CSS, Framer Motion, Vercel

- Built a modern fintech web application for tracking expenses, budgeting, and financial insights.
- Focused on clean UI/UX with intuitive dashboards for managing income, expenses, and savings.
- Ensured a privacy-first architecture where all data remains on the user's device with no server or database involvement.
- Live: [finsightt.vercel.app](https://finsightt.vercel.app)

### Bondly(WIP)

Tech: Next.js, React.js, Tailwind CSS, Framer Motion, Vercel

- Designing a digital connection platform featuring memory vaults, letters, and emotional journaling.
- Focused on smooth animations, premium UI, and privacy-focused user experience.
- Implementing collaborative UI workflows and structured component systems.
- Managing deployment and version control for continuous improvements.
